Our members take turns keeping the garden open. **We are mandated by Green Thumb to be open to the public for a minimum of 20 hours each week.** We keep the garden open for 12 hours each weekend. ..from 11 to 5 on Saturdays and Sundays. Each of us needs to be in the garden to welcome visitors and to be responsible for what happens here for 2 weekend days each year....that's a total of 12 hours .

If you can't make it, you are obligated to find someone to take your place. Green Thumb makes impromptu Site inspections....You can post a request for a substitute on the Listserv

When you sign this sheet, you are indicating that you have made a commitment to the Green Oasis that entails giving a minimum of 8 hours each month to the garden. 3 workdays, and being in the garden to keep it open for a total of 12 weekend hours, or as many as are needed depending on the number of members. Please initial this area: **I, or someone from my family (an adult) will attend at least 4 meetings and 3 work days during the Gardening Season (May through November), in addition to keeping open hours....**

Initial

I agree to fulfill my volunteer membership obligation of eight hours of service each month. I have read the rules. and I will follow them. I understand that If I do not follow the rules or keep garden open hours, attend meetings and workdays, or tend to my plot if I have one, I may jeopardize my membership
